Hon. Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

November 13, 1995

Sir:

In connection with the national phase filing of the subject PCT Application, it is requested that a Preliminary Amendment be made to the application as follows:

**In the Specification:**

Substitute a revised specification that includes new matter and will take the actual date of filing and not the international filing date.

The enclosed revised description consists of 13 pages.

Serial No.: NEW U.S. Application  
PCT No. PCT/SE94/00415  
November 13, 1995

In the Claims:

Cancel Claims 2-6 of the international application.

A revised Claim 8 is to be filed. It is based on the subject matter of cancelled Claims 2-6.

Claim 7, Lines 1 and 2, cancel "one or other of the preceding  
patent claims" and substitute --claim 1--.

New Claims 9-18 are submitted for filing.

In the Drawings:

New drawing Figures 7-13 are to be added, and they are based on new disclosure.
